

Our Fire and Rescue Service, cm 5808

The box on page 23 **Targets for reducing deaths from fire in the home and the number of deliberate fires** should read:

Community Fire Service and Health Inequalities: To reduce the number of accidental fire-related deaths in the home by 20% averaged over the 11-year period to 31 March 2010 compared with the average recorded in the five-year period to 31 March 1999 – with no local authority fire brigade having a fatality rate more than 1.25 times the national average by 31 March 2010.

Arson Reduction: To reduce by 10% the number of deliberate fires by 31 March 2010 from the 2001/02 baseline.
