### 1.0 Introduction

- 1.1 This Circular is to advise that the FRS Manual, Volume 2, Operations, Incidents Involving Rescue from Road Vehicles, has recently been published by the Stationery Office.
- 1.2 This Manual provides advice and good practice guidance on a range of rescue techniques available to fire and rescue personnel when attending road traffic collisions. It has been produced in conjunction with the United Kingdom Rescue Organisation and based around the procedures adopted at their extrication competitions.
- 1.3 The guidance within the Manual supersedes that contained within chapter 3 of the Manual of Firemanship Book 12, Practical Firemanship and also that in FRS Manual, Volume 4, Foundation Training and Development.
- 1.4 One copy of this Manual has been sent to all FRSs. Further copies can be obtained from the following TSO outlets listed below.
