1 Includes applications for planning permission and related planning consents received by metropolitan and non metropolitan districts, unitary authorities, London boroughs, national park authorities and (prior to April 1998) urban development corporations (see Tables 7 and 8). Figures exclude 'county matters' applications and decisions. These are shown in Tables 9 to 12

2 The base for figures in this column excludes applications which cannot be granted or refused.

3 The precise definitions of the time bands used throughout this table are 'up to and including 56 days', and 'up to and including 91 days'. The percentages in the last two columns are cumulative not additive. Percentages are calculated using unrounded figures.
